Summertime Schedules

Summer is a quiet time at the church. James and Carol will be available by appointment only and the main office will be open Tuesday through Thursday from 9am-2pm. We will announce schedule changes in these weekly emails and the online calendar, but it's always a good idea to call ahead if you're planning to stop by.

Rolling out the Welcome Mat: You are invited to attend a picnic potluck on Friday, July 13 at 5 p.m., to welcome incoming SLU HEOP students to their new home. Please contact Margaret Harloe with any questions.

Social Hour Hosts and Greeters: There are no scheduled volunteers in July & August. If you can serve as a greeter or social hour host during any Sunday this summer, please [email the office](#) or sign up during social hour.

Environmental Action: 20 minute approach to gardening

The new pollinator garden is growing and attracting a range of interesting pollinators. Our work effort is minimal but important. Please consider arriving for church services 30 minutes early to join us for a quick weeding or plant care session. It does not take long to maintain gardens if we stay on top of the weeds!

Mission Statement: As you enjoy your summertime slowdown, take a moment to reflect on the new mission statement and contact the committee with your input.

Remembering Fran Finch: A graveside service will be held at Fairview Cemetery in Canton at 9:30 a.m. on Sunday, July 15. All are welcome to attend. Fran's family will then join our social hour after worship that day. They would love to connect with anyone who remembers her.

New Hope Transformation House: Plans for creating a safe and sustaining environment for women who are recovering from chemical addiction are moving forward, thanks to a positive vote by the Village Planning Board. The Social Action Committee is exploring ways we can stay

involved with this effort.

Campus Kitchens: If you can spare a few hours on a Sunday or Monday, the campus kitchens project would love your help preparing and/or serving the free meal now that students have left for the summer. Sign up for a shift [here](#).
