Summertime Schedules

Summer is a quiet time at the church. James and Carol will be available by appointment only and the main office will be open Tuesday through Thursday from 9am-2pm. We will announce schedule changes in these weekly emails and the online calendar, but it's always a good idea to call ahead if you're planning to stop by.

CHURCH NEWS

Candlelight Vigil to Confront Corruption: In light of the disturbing news from Helsinki and Brussels over the weekend, we will be hosting a **Confront Corruption-Demand Democracy** candlelight vigil tonight. We will gather in front of the church at 8:15 p.m. Please bring signs and candles. It is time for all of us to get out and demand that our representatives defend our democratic principles.

Social Hour Hosts and Greeters: There are no scheduled volunteers in July & August. If you can serve as a greeter or social hour host during any Sunday this summer, please **email the office** or sign up during social hour.

August 5 Huutenanny: Mark your calendar and make plans to join us at Meacham Lake campground for our annual joint worship service with area UU congregations. **Email the office** if you are interested in carpooling. **Note:** there will be worship service in Canton, but no RE or Nursery on Sunday, August 5, in hopes that families can join us at Meacham Lake.

Back-to-school Supplies: **C&CP** is holding their annual drive to ensure all children begin the year with required school supplies. We have been asked to contribute glue sticks and white paste school glue. You may place these in our "Feed the Need" box in the Social Room, or take them by CCP at 7 Main St., by Sunday, August 19.

COMMUNITY EVENTS

New Hope Transformation House: Plans for creating a safe and sustaining environment for women who are recovering from chemical addiction are moving forward, thanks to a positive vote by the Village Planning Board. The Social Action Committee is exploring ways we can stay

involved with this effort.

Campus Kitchens: If you can spare a few hours on a Sunday or Monday, the campus kitchens project would love your help preparing and/or serving the free meal now that students have left for the summer. Sign up for a shift [here](#).
