Welcome and Announcements

Chalice Lighting by Martha Kirby Capo

Through the week this chalice abides, cupped and silent,
Softly it gleams in a dimly lit room, complete unto itself.
Today, we come together as a community of faith, joyful and free,
Our individual energies combine to spark the flame of Truth.
May we each draw strength for the other, and, like the chalice,
May we be bathed in the fire of commitment
To social justice, equity, and peace.

Chalice Extinguishing

Our time together is finished but our work is not done.
May our spirits be renewed and our resolve strengthened
As we meet the challenges of the week to come.
Our chalice flame is extinguished until we ignite it again
With the spark of our communion.

Postlude *Tunisian Transport* by Frank Metis
