Singing Centering #389 *Gathered Here*

Welcome and Announcements

Chalice Lighting by The Rev. Sara Eileen LaWall
Out of the flames of fear
We rise with courage of our deepest convictions
To stand for justice, inclusion and peace
Out of the flames of scrutiny
We rise to proclaim our faith
With hope to heal a fractured and hurting world
Out of the flames of doubt
We rise to embrace the mystery, wonder and awe
Of all there is and all that is yet to be
Out of the flames of hate
We rise with the force of love
Love that celebrates our shared humanity
Out of the flames we rise

Chalice Extinguishing

Our time together is finished but our work is not done.
May our spirits be renewed and our resolve strengthened
As we meet the challenges of the week to come.
Our chalice flame is extinguished until we ignite it again
With the spark of our communion.

Postlude *Summer's End* by John Prine

*After a few moments we will be ushered into our breakout rooms.
You are free to end your participation in the "meeting" whenever you want.*
