Soft Re-Opening: Church Council recently approved a soft re-opening of the church building which allows members and staff to use the building on an individual basis if all safety precautions are followed and the use is pre-approved. Please **email** to arrange a time for quiet personal reflection in the sanctuary or to use the library.

Grace House: Is seeking towels, dressers, pillows, and bookshelves, as well as an air conditioner and an 8 seater van for transportation to events. If you have questions, or would like the complete list of items needed, you can **email Sara** in the office.

Campus Kitchens: If you can help prepare or distribute the free to-go meals on Monday nights, please **sign up for a shift online**. FAITH ENGAGEMENT NEWS

Faith Engagement at Home

Books and Cooks - This week we are celebrating countries that cooks rice. The story connects cultures from Asia, India, Europe, Central and South America in a neighborhood of the United States.

This story is a true celebration of the diversity and similarity of our common humanity, with an easy recipe for a delicious puffed rice treat. Check it out on our [Facebook Event page](#) for all the details and links. You don't need a Facebook account to access it.

Youth Events - Our 8th-12th graders will meet again [via Zoom](#) on Sunday, August 2.

Faith Engagement Summer Fun in a Box (or Bag) Packages: We will be delivering packages to your home soon. Look for an email. If you want to know more, please [email](#) Carol.

It's Easy Being Green!

To live green, connect with nature. See what the birds do for fun by streaming on Netflix-*Dancing with the Birds*. Enjoy 51 minutes set to classical and big band music, as this movie tells the story of avian courtship through extravagant choreography.
