Singing Centering #1058 *Be Ours a Religion*

Welcome and Announcements

Chalice Lighting by Debra Faulk

A chalice lit in our midst is a symbol of our liberal faith,
A faith built on the foundation of freedom, reason and tolerance
A faith sustained by acts of kindness and justice
A faith that visions a world flourishing with equality for all her people
A faith that demands the living out of goodness
A faith that requires thoughtfulness
A faith of wholeness
This tiny flame is the symbol of the spark of all this within each of us.

Our time together is finished but our work is not done.
May our spirits be renewed and our resolve strengthened
as we meet the challenges of the week to come.
Our chalice flame is extinguished until we ignite it again with the spark of our communion.
