Faith In Action Updates

Our March SASO will benefit **Musicians without Borders:** The collection this Sunday, February 28 will be sent to Musicians without Borders, an international charitable foundation that uses music for peacebuilding and social change. [Click here to learn more](#) about this wonderful organization.

CompassionandChoices.org is seeking support for just that - compassion and choices about the terms on which we are legally allowed to die. New York could become the 10th state to pass legislation for medical aid in dying. UUs have taken the lead in other states like Oregon. [Click here](#) for information and the text of New York's Medical Aid in Dying Act: now in the Assembly, Bill #A4321. Letters, emails, and phone calls to our legislators would be very helpful. If you would like to be involved, there is a zoom meeting of the NYUUJustice group, which is supporting medical aid in dying along with three other issues, on Sunday, February 28 from 3-4:30 p.m. Contact [Pat Alden](#) or [Teresa Veramendi](#) for further information

Join us on **Sunday, March 7** from 7-9pm for a **virtual film screening** of *Kiss the Ground*, an optimistic climate change documentary encouraging all of us to heal the soil beneath our feet. The NY Times says that Kiss the Ground "strikes a fine balance between hope and despair, with hope winning out." [Click here to learn more about the documentary and how to join the screening.](#)

Write letters of concern with the North Country Poor People's Campaign to St. Lawrence County's Board of Legislators and state legislators about how the process carried out by the Sheriff's Office failed to meet the standards set by the Executive Order 203: Police Reform and Reinvention Collaborative. Letters sent before February 26 will be read aloud at the next meeting. [Click here for more details](#). If you have any questions, contact [Teresa Veramendi](#).

Join Black Lives Matter Potsdam as they continue their **Daily Protest** at 153 Market St in Potsdam from 3-3:30pm. If the temperature is below 25 degrees, the rally is canceled for the day.
