Singing Centering #95 *There is More Love*

Welcome and Announcements

Chalice Lighting by Robin Slaw

As we light this chalice,
we make a commitment to stay curious,
to ask questions and make observations,
to learn about ourselves
and how we interact with the world.

We make a commitment to wonder each day,
To practice gratitude each day,
To learn and be inspired.

We make a commitment to Unitarian Universalism,
The values we hold together,
The promises we make to each other.

We make a commitment to change for the future,
To put love into action,
To work for equity and justice,
To promise to build a better world.

Chalice Extinguishing

Our faith, like a light, illuminates the path before us
So that we can face hurt with love,
Cultivate compassion,
Live humbly in community,

And confront despair with the awe of life.
Though our flame is extinguished,
Our faith shines bright before us.

Postlude *Los Tres Golpes, Danza Cubana* by Ignacio Cervantes
