Each year, our church participates in the **Church and Community Program's Back to School Program**. Each member church is asked to focus on one type of supplies that teachers request individual students to bring on the first day. Unsurprisingly, some parents can't afford to buy everything on the list, and that is where church congregations can help out.

This year we are asked to provide **headphones**. Cliff Westerling found a bulk package of headphones and Pat Sibbitts, the head of this initiative, will be ordering 100 pairs for a total of \$511.95. The **UU Church is not expected to cover the total cost of all of these**. If you are willing to contribute, we will be collecting donations until August

20, but appreciate contributions as early as possible to assist with planning. You can mail cash or check payable to Church and Community Program to the church (3 ½ East Main Street), or drop it off at the church office or the CCP Second Chance Thrift Store at 30 Court Street. Thank you for your help!

Join the UUGeos on a geocaching tour of the favorite spots along Rte. 56 in Colton this **Saturday, July 24th at 1:00 to 3:00 p.m.** We will explore such famous places as the Sunday Rock, the S Curve, the Painted Rock, Jamestown Falls and more! Dress for the weather, wear sturdy hiking shoes, and bring water shoes for streams. New to geocaching? No problem! We will show you how to enjoy this outdoor hobby. We will meet at the Sunday Rock on Rte. 56 in South Colton at 1:00 p.m. Coordinates are **N 44° 30.591' W 074° 53.650'**

We are still seeking applicants for a new [Director of Music](#). Please help us spread the word to anyone you think might be interested in working with us!
