

B&G Agenda – June 7, 2017

Old Business:

1. Financial Report
2. Repairs to church bell housing needed to seal cracks in cement preventing water from leaking down to the wood structure below. DIY or hire mason? **Schedule repairs for spring/summer.**
3. Finish painting side entrance staircase up to 2nd floor room during winter months (**Stefan to secure little giant ladder for job**).
4. Finish landscaping improvements on east side of church in spring; Day lilies and daffodil bulbs to plant. **Roger working on green alternatives to Round-Up.**
5. Getting questions about the cost of repairing these windows; was reminded that when the stained glass in the lower sashes in minister's office buckled, sash was replaced with clear glass. Should we consider doing the same for the bell tower windows?
6. **Bobbi** is checking with Coakley's on repairs to the vinyl edging around carpet in the sanctuary as there still is one spot that was not fixed.
7. Alterations Roger made to ice/snow screen protecting the intake and exhaust pipes for the forced hot air furnace are working. Group feels replacing current screen with a larger A-Frame screen is the best fix. Install snow fence in the fall. **Schedule construction as a spring/summer project.**
8. Automatic door opener has arrived and is stored in office. **Gary and Pete?**
9. Cornerstone has submitted proposal (\$3,250) to resolve heating issues in James' office. At May meeting decision made to insulate pipes with better insulation to see if this fixes the problem, **Dave and ?**
10. Light replacements of a number of the can lights in RE main room, **Assign**
11. **Pete** will search on-line for prices of (7) carbon monoxide detectors and compare to Coakley's.
12. Work day feedback and follow-up
13. Summer Youth Worker Update

New Business:

1. Check fire extinguishers (Bobbi)
- 2.
